Takin' on 'Dover Tour will be held in Peterborough, ON

Hosts: Dale & Sandy Brinklow

Date: August 13-15, 2021 (Yes, **Friday the 13th** to August 15th).

Takin' On 'Dover is just a fun way to rival the motorcycle rally held every Friday the 13th in Port Dover on Lake Erie. Thousands of motorcycles converge on 'Dover with 100,000 and more in attendance. We can take that on! Maybe? We will be much slower, have less leather (but leather is a personal choice), and be nowhere near 'Dover.
Tattoos though, we have a few! Bring It!

CAMPING:
Beavermead Park in Peterborough has campsites available BUT book soon. Presently, they have a 3-day cancellation policy and confirm that in writing.
Website address is: https://www.otonabeeconservation.com/camping-outdoor-recreation/beavermead-campground/
- Click on 'Reserve A Campsite' in the top right.
- On the next page, you can skip logging in by clicking on 'Book Now'.
- From there, follow the prompts to fill out the information and confirm Booking.

MOTELS:
Motel 6, 133 Lansdowne St E. (Call 1-705-748-0550 or visit their website) is a new motel right around the corner from the campground.
Best Western Otonabee, 84 Lansdowne St E. (Call 1-705-742-3454 or visit their website) is also a good choice and right across the road from Motel 6. It was the CanAm hotel.
Both properties have lots of parking.

COST: TBD (Incidentals only, e.g., coffee supplies, photocopying, etc.)

STOPS: Consider this a STRICTLY DRIVING TOUR at this time (125-175km per day). We will be following the applicable COVID Guidelines (and whatever Step or Stage or Phase we're in) at the time. Ice cream shops, restaurants, points of interest, washrooms, shopping areas, etc. will be considered closer to the tour dates. Don't expect large, organized gatherings.

FOOD: Come prepared to fend for yourselves but there will be lots of restaurant options identified.

Registration: Please email Dale at dbrinklow9@gmail.com to let him know you are coming. The deadline for registration is Friday, July 16. Be there or be square!
