GENERAL INFORMATION

This is a progressive tour requiring an overnight stay at a second hotel. Because of covid restrictions and unknowns when planning the tour, tour meals will be included and prepaid and will be served outside on the patios. This means the registration fee appears higher than a hub tour but include more benefits.

The tour will not be on any major highways and great care has been taken to select secondary paved roads which have added to the mileage. The tour route has been carefully selected to accommodate faster cars in some segments and also slower cars in other areas to satisfy the wishes of our members. Participants should ask and understand each hotel's cancellation policy.

Forward registration now to Tour Chairman Garry Potter to allow for early appropriate planning
